## Length (m) of enhancement(s)

500m

---

## Type of enhancement(s)

Realignment of waterway with the creation of meanders, natural banks and profile. To be focused on Seven Kings Park, Westwood Rec, South Park and Fairlop. Possibly involve Industrial estate and muslim cemetery, as waterway passes through their land as well.

---

## Reasons for enhancement(s)

To improve and enhance ecological biodiversity interest. The waterway is culverted through most of the parks and has low ecological value. Environment would also improve aesthetic value. Also may provide greater flood storage capacity subject o feasibility study.
