

## Project name

Frog Island

---

## Status

Concept only

---

## Catchment

Ingrebourne

---

## Tributary

N/A

---

## OS grid reference

TQ5107881107

---

## Length (m) of enhancement(s)

Depends on planform design chosen

---

## Type of enhancement(s)

This is an ambitious initiative to remove the tidal sluice structure & adapt flood defences to maintain protection.

---

## Reasons for enhancement(s)

The tidal sluice at the confluence with the Thames produces poor water quality and prohibits fish and eel migration.

---

## Key themes of enhancement(s)

Indicate by ticking one or more that apply.
