

Project name

Roxbourne Park

Status

Commitment to delivery with funding

Catchment

Crane

Tributary

Yeading Brook

OS grid reference

TQ 123 876 - TQ 117 867

Length (m) of enhancement(s)

700m

Type of enhancement(s)

To create, restore and reconnect riverine and wetland habitat (including wet woodland, reed bed, emergent and marginal vegetation, and pond) along the River Crane; toe-board removal; tree work/coppicing

Reasons for enhancement(s)

Habitat creation and improvement in aquatic and marginal vegetation of the river for water voles, birds, invertebrates and fish

Key themes of enhancement(s)

Indicate by ticking one or more that apply.
