

# MANUAL of TECHNIQUES

River Restoration

1999 & 2002 Update

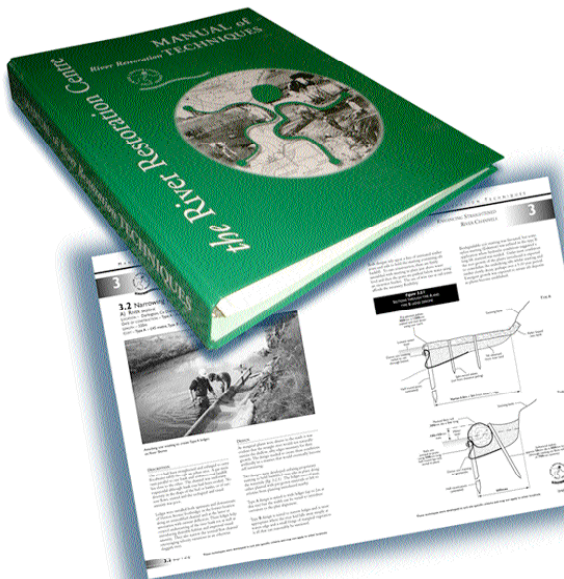

This 1999 Manual documents the comprehensive restoration projects on the Rivers Cole and Skerne.

The 2002 Update provides an extra 20 design techniques from a further 15 projects around the UK.

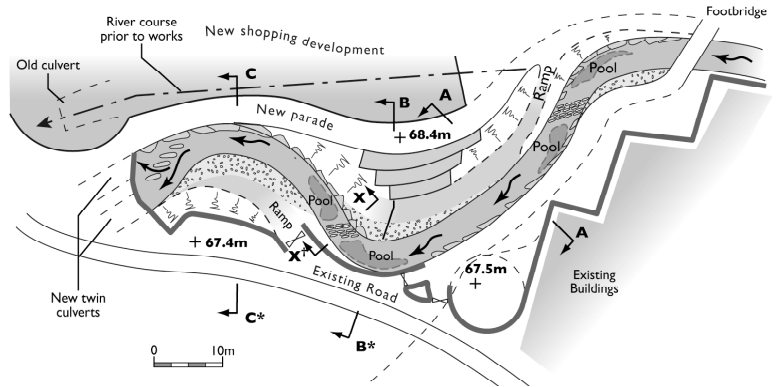

*A few examples of the projects featured in the 2002 Update:*

- R. Kennet, Wilts
- Long Eau, Lincs
- R. Thames, Oxon
- Sugar Brook, Manchester
- R. Nith, Ayrshire
