

FILM *Rivers of the* FUTURE

Restoring the Cole and Skerne, UK 1995-97

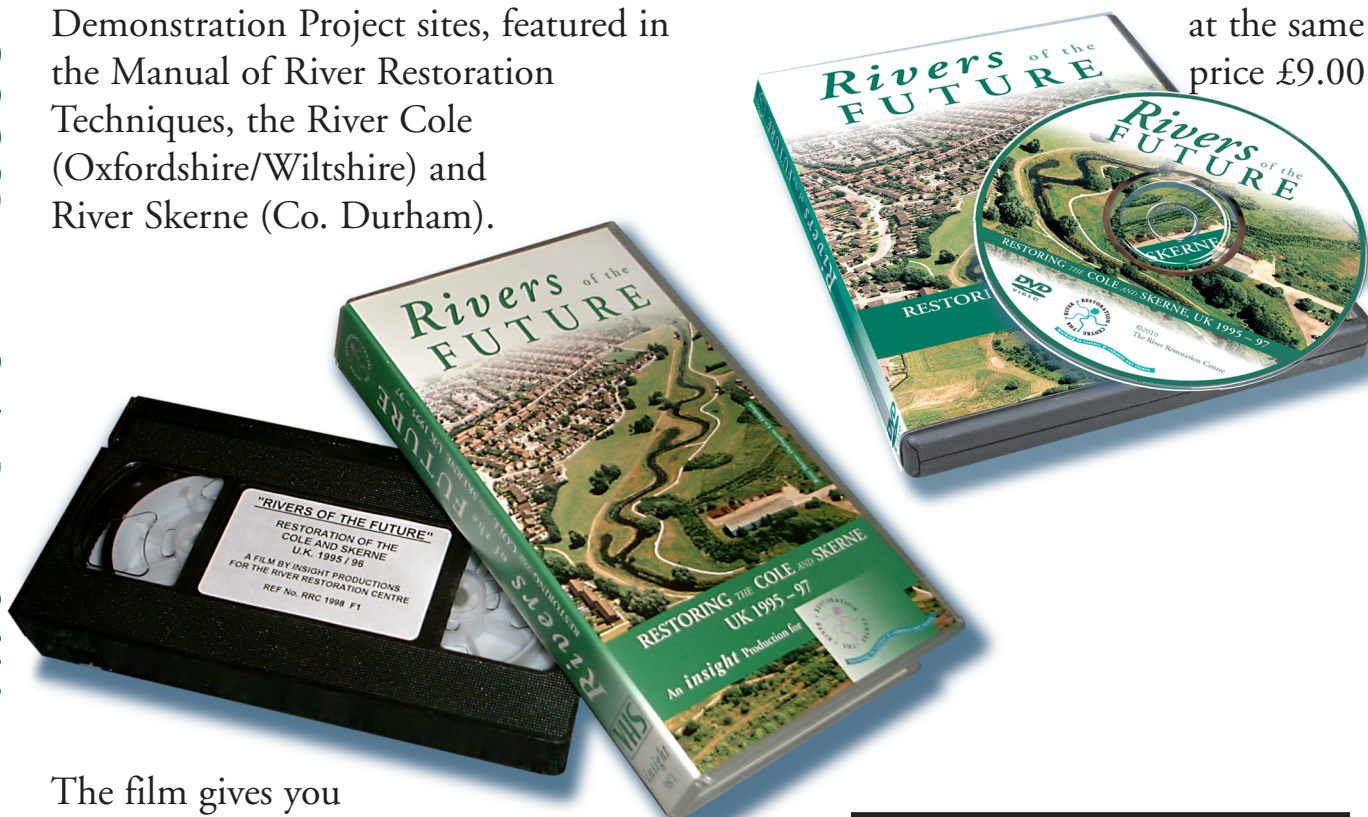

the RIVER RESTORATION CENTRE (RRC)

Bullock Building, Cranfield University Campus,
Cranfield, Beds MK43 0AL

Tel/Fax: +44 (0)1234 752979. E-mail: office@therrc.co.uk
www.therrc.co.uk

This 30 minute film documents the progress at the two EU-LIFE Demonstration Project sites, featured in the Manual of River Restoration Techniques, the River Cole (Oxfordshire/Wiltshire) and River Skerne (Co. Durham).

DVD version now available at the same price £9.00

The film gives you the opportunity to 'visit' the two restored rivers and to hear why and how the work was done.

Films are available from RRC
PRICE £9.00
[including UK p&p]
