RRC CONFERENCE 2018 - ENGAGING WITH RIVERS

Thanks to all those who attended, presented, sponsored, facilitated and helped out with the [RRC Conference 2018](#)! From the initial feedback, the conference was once again a success. 362 delegates, 47 engaging presentations, 5 varied workshops, 2 site visits, and the UK River Prize Awards Dinner, all packed into a 2-day event, made for a stimulating atmosphere, full of networking and learning. We hope you enjoyed the conference - see you all next year!

Did the Conference meet your expectations? Yes - 98%

HILLS TO LEVELS, SOMERSET WINS 2018 UK RIVER PRIZE

Congratulations to all those involved in the *Hills to Levels* project, winners of the [2018 UK River Prize](#). This project was an "excellent demonstration of integrated catchment-wide approaches to raising awareness and tackling river quality problems". The winners were awarded the Nigel Holmes Trophy by Fiona Bowles (RRC Chairman) at the Awards Dinner in Nottingham earlier this week. Find out more about the winner and finalists >>
