RRC CONFERENCE NEXT WEEK!

The first four months of 2015 have flown by and the 16th RRC Annual Network Conference is just days away!

Next Tuesday and Wednesday over 250 delegates will visit Whittlebury Hall to share, celebrate and learn about best practice River Restoration. A number of talks, workshops and site visits will be held across the two days. On the 19th, the UK River Prize and Nigel Holmes Trophy will be awarded to one of this year's excellent finalists >>

BELFORD NFM SCHEME WINS AWARD

Last month the Belford Natural Flood Management scheme won the ICE North East Robert Stephenson Award. The Judges said "An excellent example of collaboration between academia and the statutory bodies to develop a new approach for managing flood risk." Find out more >>

WILD TROUT TRUST CONSERVATION AWARDS

The RRC is supporting the 2015 Wild Trout Trust Conservation Awards which recognise and encourage excellence in the management and conservation of wild trout habitat. The awards will be held in **London on the 6th of October** where three category winners will be announced:

- Large-Scale Habitat Enhancement Scheme
- Medium-Scale Habitat Enhancement Scheme
- Contribution to Wild Trout Conservation

The closing date for entries is the 31st of July. Applications and enquiries should be sent to office@wildtrout.org Find out more >>

VOTE FOR RESTORE!

You can now vote for your favourite LIFE Project for 2014. RESTORE has been nominated for *Best LIFE-Environment/Information Project 2014*. Voting closes on 01/06/2015 at 22:00.
