

RIVERS EDEN, DERWENT & KENT WIN UK RIVER PRIZE

Last month, the Cumbrian Rivers Eden, Derwent and Kent won the 2016 UK River Prize, congratulations to everyone involved! The Cumbria River Restoration Strategy partners fully deserve the £5,000 prize and Nigel Holmes Trophy for the fantastic work they've done. During the Awards Dinner, we were treated to excellent films from each of the four finalists. These can be viewed on our website along with more information about this year's finalists and winner >>

Site visit to the Wyre Catchment on day 2

The 17th Annual RRC Conference in Blackpool was a big success with 300 delegates attending over the two days. Delegates enjoyed 42 presentations, 33 posters, 5 workshops, 1 site visit and many hours of networking! The first of the outputs are now available and will be added to in the coming weeks >>

We would like to thank the [conference sponsors](#), presenters and delegates for their contribution to this year's event.

BHS CONFERENCE

Hydrologists make the water go round

This British Hydrological Society conference at Cranfield University will be held between the 30th August and the 1st September. It will cover topics such as flood risk, catchment management, geomorphology and river restoration.

Abstract deadline: 31st May

Price: £60 (per day)
