

Partnering the UK River Prize is a great opportunity to be part of a **prestigious event** and an **enduring legacy** which celebrates best practice river restoration and management. As a partner you will be aligned with **successful, innovative and cutting-edge projects** from across the UK. The UK River Prize gives organisations further confidence and backing to go on and achieve greater success. Sponsors will also receive **exposure and publicity** through UK River Prize announcements which are sent to **3,000 email contacts** and **4,000 social media followers as well as TV, radio and news updates**. Don't miss out on this chance to be involved!
