NEWS & EVENTS

Join the RRC Reading Group!

Email rrc@therrc.co.uk to join the group and check out this months paper 'Evaluating ecosystem functioning following river restoration: the role of hydromorphology, bacteria, and macroinvertebrates'

Share your research?

There is a special edition of the Water journal on "River Restoration: Monitoring, Appraisal and Management." Any contributions from the river restoration community are welcome!

[Find out more](#) and contact rrc@therrc.co.uk for more information.
