

# RRC Bulletin

January 2023 - Issue 131

## 2023 RRC Conference early-bird booking deadline February 20<sup>th</sup>

Book your place at the 2023 RRC Conference to meet industry experts, learn about the latest developments in best practice, and be involved in discussions about the future of river restoration in the UK. Workshops and site visits have limited availability, so book early to secure your preferred option. Plus, there is still time to submit a poster abstract, and sponsor the conference!

*Poster abstracts submission deadline February 24th*

## 2023 UK River Prize application deadline February 20<sup>th</sup>

The UK River Prize celebrates the achievements of those individuals and organisations working to improve the natural functioning and ecological integrity of our rivers and catchments, and recognises the global benefits to society of a healthy natural environment. It is a collaboration across England, Wales, Scotland and Northern Ireland to celebrate best practice across the four countries.

[Plus 2023 River Champions nominations deadline February 17<sup>th</sup>](#)

### Are you interested in a River Restoration Postgraduate Qualification?

RRC are exploring the possibility of setting up a postgraduate qualification in River Restoration with Cranfield University. The certification course will cover all aspects of river restoration from understanding your river to designing and proposing river restoration options. If you are interested, please [complete our survey](#)

Our Science & Technical Officer, Hannah Joyce leaves RRC after 3 and a half years with the team. We wish Hannah the best of luck in her new role at Atkins and all the best in your future career.
