## 2024 UK River Prize Finalists announced

The River Restoration Centre awards the UK River Prize to celebrate the achievements of those individuals and organisations working to restore our rivers and catchments, recognising the benefits to society of having a healthy natural environment. After much deliberation the judging panel selected four finalists:

River Rom, Greater London, England – ‘Rewilding the Rom’

Upper Witham, Lincolnshire, England – ‘Upper Witham Restoration’

Ullswater, Cumbria, England – ‘Ullswater Catchment Restoration’

Horner & Aller, Somerset, England – ‘Riverlands Porlock Vale Streams’
