RRC Conference Call for Abstracts

LAST CHANCE TO SUBMIT AN ABSTRACT!

SHORT SUBMISSION FORM!

Just let us know the title, presenter name and 200 word abstract!

The 2023 RRC Annual Conference will be held in Birmingham on 19th & 20th April. The call for abstracts is open for those who want to share their work with over 250 river restoration practitioners. Here are some examples of suitable presentation themes for this conference. This list is not exhaustive so please contact us if you want to discuss your presentation idea.

- Innovative techniques to achieve restoration goals
- Ambitious urban river restoration
- Engaging agricultural landowners
- Improving the way in which river restoration is promoted in the media
- Making the most of citizen science and community engagement
- Green finance and funding
- Monitoring strategies and methods

Deadline 2nd December

Plus, early-bird sponsorship packages close tomorrow, December 1st! Email us now rrc@therrc.co.uk to secure the reduced sponsorship rate!

Would you like to work at RRC?

We are looking for an Information & Accounts Assistant!

Either full or part time, and based in Cranfield, Bedfordshire with flexible working.

We are looking for someone to help with invoicing, bank payments and updating records and using the QuickBooks accounts package. You will also be helping to update information on the database and website. Overall you will be helping the organisation run smoothly.

Interested? Please email us rrc@therrc.co.uk for more information

We would like to thank

and our core funders for their continued support
