October 2023 - Issue 140

2024 UK River Prize Applications Open!

Deadline 19th February 2024

The UK River Prize celebrates the achievements of those individuals and organisations working to improve the natural functioning and ecological integrity of our rivers and catchments and recognises the global benefits to society of a healthy natural environment. It is a collaboration across England, Wales, Scotland and Northern Ireland to celebrate best practice across the four countries.

The UK River Prize is awarded by the River Restoration Centre (RRC). It is judged by a panel of UK experts. The UK River Prize winners will be announced on 24th April 2024 at the UK River Prize Awards Dinner, in association with the RRC Annual Network Conference in Llandudno, North Wales.

2024 River Champions nominations open!

Deadline 21st February 2024

'River Champions' seeks to recognise and celebrate the outstanding effort of individuals contributing to river restoration in their area. It aims to recognise those dedicating time outside of their day-to-day roles to contribute toward improving rivers for wildlife and people.

The success of projects aiming to improve rivers for wildlife and people is largely influenced by the involvement of volunteers. We understand the importance of this contribution and wish to acknowledge those who may otherwise not get recognition.
