

RIVER MUR - 2014 EUROPEAN RIVERPRIZE WINNER

Image property of the International River Foundation

This year's IRF European Riverprize was awarded to the Austrian stretch of the Mur. The €25,000 prize was given at the Riverprize Gala Dinner at Vienna City Hall on Tuesday 28th October. The project has successfully restored natural processes and habitats along 22km of the river. Following its European success the Mur will now be entered into the Thies International Riverprize 2015 >>>

GOOD ABSTRACT RESPONSE

© RRC

The call for abstracts for our 2015 Annual Network Conference has closed and we are pleased to say that there was a great response. We have begun to compile a programme and bookings will start to be taken in early December >>>
