Conference Bookings Open!

Bookings are now open for the RRC's 2016 Annual Network Conference in Blackpool. Currently prices are at the early-bird rate which could save you £80, but this is only available until February. The [draft programme](#) is now available to view and you can book online here >>

There are also [opportunities to sponsor](#) the conference and the 2016 River Prize. If you are interested in becoming a sponsor please [contact Emma](#) to discuss.

Catchment Partnerships capacity building workshops

Jointly supported by

Dates and Locations

Sheffield 20/01/2016	Bristol 2/02/2016	London 4/02/2016
--------------------------------	-----------------------------	----------------------------

Book your free place now. These geographically spread workshops will support project assessment and evaluation to provide evidence that can be used to secure future funding. There will also be a drop in session for technical help, with catchment coordinators and the CaBA mentoring group. Find out more and book your place >>

STOWA MEETING

STOWA are responsible for developing, collecting, distributing & implementing expertise about water management in the Netherlands. Martin Janes, our Managing Director, recently met them to discuss exchanging ideas and joint working. Find out about STOWA >>

RRC BIDS FAREWELL AND THANK YOU TO JENNY

At the end of December, Jenny Mant is leaving the RRC after nearly 13 years of working with many of you. She will be moving to Cascade and based in London, working on a national remit in aquatic management and habitats. We wish Jenny every success in her exciting new role. [Keep an eye out for how we decide to fill this vacancy]. We already plan to work with Jenny in the near future, in the same way as we are always keen to partner with other UK consultants on river management issues. If you wish to contact Jenny to wish her well please use this email:

j.m.mant@cranfield.ac.uk

Hopefully we will see her in Blackpool.

MARTIN'S LIFE+ BLOG

In November I was asked to attend a European Parliament workshop discussing how best to use the new €3.46 Billion LIFE budget to support Environment and Climate, the two elements that LIFE now covers. Read more here >>
