
POSTER PRESENTATIONS

PEARCE & SEFTON

Kindly Sponsored by

1

[Weir's It Gone?](#)

L. BRYANT¹, J. MILLS¹, I. CREIGHTON¹
1 West Cumbria Rivers Trust

2

Letting the Dove Flow

T. BROOKS¹
1 Environment Agency

3

[Delivering Natural Flood Management in Wessex](#)

A. MAXWELL¹, N. McCARTNEY¹
1 Environment Agency

4

Modelling floodplain sediment storage times under variable vegetation and streamflows

C. J. FEENEY¹, R. C. CHIVERRELL¹, H. G. SMITH²
1 University of Liverpool, 2 Landcare Research

5

[The ripple effect of Manor Road Park, the project that just keeps giving](#)

J. EVERETT¹
1 Affinity Water Ltd

6

A multiple-catchment scale analysis of historic upland river channel planform adjustments over the last 150 years: A case study in the Lake District, UK

H. JOYCE¹, J. WARBURTON¹, R. HARDY¹
1 Durham University

7

Microhabitat characteristics influencing young-of-the-year fish assemblages in backwaters of the River Avon

L. J. REYNOLDS¹
1 Wessex Chalk Stream Rivers Trust

8

[Tufa. An overlooked biodiversity & geomorphological feature in lowland rivers](#)

J. GRAHAM¹, C. TERO¹, M. PARR¹
1 Environment Agency

- 9** **Methodological intercomparison of English and Scottish assessments of WFD hydromorphological status classifications**
R. GREEN¹
1 Arup
- 10** **[What a load of rubbish! The ecological effects of anthropogenic litter in rivers](#)**
H. WILSON¹, M. F. JOHNSON¹, M. P. EICHHORN²
1 University of Nottingham, 2 University College Cork
- 11** **Riverlands**
R. HIGGS¹, A. SCARR²
1 National Trust, 2 Environment Agency
- 12** **Slowing-the-flows: Post-forestry blanket bog restoration on the North York Moors**
H. LEHNHART-BARNETT¹, R. C. CHIVERRELL¹
1 University of Liverpool
- 13** **Solva Natural Flood Management Scheme**
M. REES¹, G. RICHARDS¹, A. THOMAS¹
1 Natural Resources Wales
- 14** **[The role of large infrastructure projects in working towards WFD objectives](#)**
L. FODEN¹
1 Arup
- 15** **Quantifying NFM performance on Swindale Beck using gauge data from the site**
G. L. HERITAGE¹, L. SCHOFIELD²
1 AquaUoS – University of Salford, 2 RSPB
- 16** **A new typology of catchment complexity for England and Wales**
E. L. HEASLEY¹, N. J. CLIFFORD², J. D. A. MILLINGTON¹, M. A. CHADWICK¹
1 King's College London, 2 Loughborough University
- 17** **Evaluating and delivering fish passage improvement measures at tidal pointing doors on the River Ancholme at South Ferriby**
R. JENNINGS¹, K. MURPHY², M. CRABBE¹, J. STEBBINGS²
1 JBA Consulting, 2 Environment Agency
- 18** **[Vegetated MSE wall system as a replacement for traditional hard revetments](#)**
J. DEW¹, P. WELLER¹
1 Five Rivers Environmental Contracting

- 19** [The Where, What, When of Monitoring Natural Flood Management Measures](#)
K. TEAKLE¹
1 Katherine Colby Hydrologists
- 20** **Reconciliation Ecology: Maximising biodiversity in agricultural areas**
K. J. GETHING¹, S. LITTLE²
1 Loughborough University, 2 Nottingham Trent University
- 21** [Pollinator enhancement sites in Lincs & Northants Area](#)
C. TERO¹, N. LOVEDAY¹, J. STEBBINGS¹, J. GRAHAM
1 Environment Agency
- 22** **In-catchment sediment management in St Lucia**
N. J. NINEHAM¹, D. OCIO¹
1 Mott MacDonald
- 23** [A compensation of twaite shad run estimates based on resistivity counter and citizen sciences observations](#)
C. CRUNDWELL¹, K. TWINE¹, T. COE²
1 Environment Agency, 2 Fishtek Consultation
- 24** **Wyke Beck Valley partnership, Leeds**
G. SMITH¹
1 Yorkshire Wildlife Trust
- 25** [Effect of upper channel WDD placements on local flow field and sediment transport](#)
E. M. FOLLETT¹, D. FURNUES¹, C. A. WILSON¹
1 Cardiff University
- 26** **Healthy rivers, healthy communities**
K. J. LUNDBERG¹, S. DALZIEL¹
1 SEPA
- 27** [The long-term geomorphological impact of Natural Flood Management](#)
J. M. WOLSTENHOLME¹, C. J. SKINNER¹, D. R. PARSONS¹
1 University of Hull
- 28** [Rehabilitation of heavily modified chalk-influenced watercourses in the Anglian region](#)
R. BREAKSPEAR¹, A. BROOKS¹, R. COPE², G. WHITFIELD¹
1 Wood Environment and Infrastructure Solutions UK Ltd, 2 Anglian Water

29

[Using unmanned aerial vehicles \(UAVs\) to support the evidence base for Natural Flood Management and soil conservation](#)

M. ROBERTSON¹, I. MADDOCK¹, A. OSBALDISTON²
1 University of Worcester, 2 Environment Agency

30

[Implications for river management of channel change over the last 150 years](#)

S. E. REGAN¹, J. HOOKE¹, H. G. SMITH²
1 University of Liverpool, 2 Landcare Research, NZ

31

A 3D numerical model of climate change influences on vegetation-flow dynamics controlling river flooding

S. D. A. CLARK¹, J. R. COOPER¹, P. RAMESHWARAN², J. HOOKE¹
1 University of Liverpool, 2 Centre for Ecology and Hydrology

32

[SmartRiver: Leveraging the Internet of Things to assess the effectiveness of Natural Flood Management and its co-benefits](#)

S. BURKE¹
1 AmbioTEK Community Interest Company

33

[Pymmes Brook Renaturalisation](#)

T. J. STYLES¹, R. THOMAS¹, E. GARDNER¹, T. CHISNALL¹
1 Arup

34

[CrowdWater: citizen scientists can help us collect hydrological data](#)

J. ENGLAND¹, I. van MEERVELD², S. ETTER², B. STROBL²
1 Environment Agency, 2 University of Zurich

35

[Investigating swales, grass and cultivated buffer strips, and riparian woodland as barriers to pesticide and sediment run-off](#)

S. ROY¹, P. DUFFELL¹, C. COOK¹, J. DONOVAN²
1 Wood, 2 Thames Water

36

[A pragmatic approach to evaluating the impact of woodland creation on slowing the flow](#)

R. HAW¹
1 Envireau Water

37

[Application of 2D hydrodynamic modelling for assessing the effectiveness of Natural Flood Management \(NFM\) at a catchment scale](#)

M. P. UNDERWOOD¹
1 Envireau Water

38

[River Restoration and Biodiversity - update on the IUCN\(UK\) project](#)

J. ENGLAND¹, A. TREE², S. HEARN³, M. JANES⁴

1 Environment Agency, 2 Scottish Natural Heritage, 3 Natural Resources Wales, 4 River Restoration Centre

39

[River Prize Finalist – New Forest Wetlands, Hampshire](#)

40

[River Prize Finalist – River Bulbourne, Hertfordshire](#)

41

[River Prize Finalist – River Nairn, Scottish Highlands](#)

[2019 River Champions](#)

THE RRC

[RRC Membership; Not yet part of our network of members?](#)

THE RRC

[Training Course Series 2019](#)

THE RRC
