

the River Restoration Centre

Working to restore and enhance our rivers

RRC Training Course Series

Developing a strategic catchment-wide river restoration plan

7th November 2018, 9.30-16.00, [Birmingham & Midland Institute](#), 9 Margaret St, Birmingham, B3 3BS

[More information](#)

"Really informative and resources and tools provided priceless to help deliver future projects"

"A way of thinking on a catchment scale which was too daunting before this course"
