- **Southfields Farm** – tour by farmer John Plumb demonstrating his successful work with various catchment partners including the EA, Severn Trent and Warwickshire Wildlife Trust
- **Meriden Lakes** – Tame Valley Wetlands Partnership and Solihull Council give a tour of their restoration work in an urbanised catchment

**Note:** Please advise whether you have any dietary requirements. This location is not in walking distance from Coleshill train station. We are arranging a shuttle bus, so if travelling by train please advise Zara so we book you a place on the bus!
