MEETING PACK - 2019 Integrated Catchment Delivery events

Norfolk Integrated Constructed Wetlands visit and workshop How can we scale up and maximise opportunities?

An inclusive event hosted by the Broadland Catchment Partnership, Anglian Water and Anglian Eastern Regional Flood and Coastal Committee

Date: Tuesday 2 April networking from 9am, 10.00am start to 4.15pm

Contact: dom@therivertrust.org 07795 333 157 for queries

Location: Ffolkes Arms, A418 Lynn Road, Hillington, King's Lynn, Norfolk, PE31 6BJ, 01485 600 210

Please bring water proofs, sturdy walking boots/footwear and sun cream just in case!

Shared goals for this visit

1. Building relationships between landowners, farmers, Catchment Partnerships, Regional Flood and Coastal Committees and water companies
2. Showcasing and increasing understanding of constructed wetlands, applications and social and natural capital benefits
3. Supporting landowners and farmers in profitable approaches to wetlands as part of future payments for public goods and services
4. Involve attendees identifying new project opportunities and progressing existing projects
5. Enhancing our knowledge of effective permitting approaches

Outputs available after the event on the River Restoration Centre website

- Presentations and photos
- Web links to useful information
- William Morfoot brochure on the River Ingol Wetlands

30 November 2018: River Ingol wetlands, visit hosted by Norfolk Rivers Trust and Anglian Water which inspired this Integrated Catchment Delivery visit on Tuesday 2 April 2019

Feedback - Norfolk: River Ingol Integrated Constructed Wetlands

We value your input hoping you complete this during the day and hand in at the end to an organiser.

Name:

Organisation:

Affiliation/s:

Are you happy to be contacted on future events Yes / No. Ok for us to use photos? Y / N

Q1: What did you think of today? Please circle.

0 (bad) 1 2 3 4 5 6 7 8 9 10 (couldn't be better)

Q2a: Have you built any new relationships? If so with who?

Q2b: Have you strengthened any existing relationships? If so with who?

Q3: Has today improved your understanding of constructed wetlands?

1 (not very much) 2 3 4 5 6 7 8 9 10 (a lot)

Q4: To what extent has today improved your understanding of how constructed wetlands can support profitable farming and payments for public goods and services?

1 (not very much) 2 3 4 5 6 7 8 9 10 (a lot)

Q5a: Following today, can you identify new opportunities for constructed wetlands? If so what and where?

Q5b: Has this today helped your existing constructed wetland initiative(s)? Yes / No
Explanation:

Q6: To what extent has your knowledge of effective permitting approaches for constructed wetlands increased?

1 (not very much) 2 3 4 5 6 7 8 9 10 (a lot)

Q7: Is there any action will you do after today? If so, what?

Q8: Please use this space to provide other feedback including any valuable learning
