INVITE and agenda - 2019 CaBA [Integrated Catchment Delivery](#) events

Restoring the River Coln – practical work with the Gloucestershire Wildlife Trust and Upper Thames Catchment Partnership

Tuesday 2nd July, arrive at 10am for 10.30 start to 3.30pm

Contact: dom@therivertrust.org 07795 333 157 for bookings

Location: Cricket Ground, Coln St. Dennis, Cotswold, Gloucestershire, South West England, GL54 3JZ

Please note: waders will be provided but you are welcome to bring your own. Bring life jacket (not essential), water proofs, sturdy walking boots, footwear, drinks/water and sun cream in case!

Shared goals for the day

1. Getting involved in practical work restoring River Coln habitats using large wood techniques.
2. Learning top tips and best practice for river restoration and natural flood management.
3. Sharing knowledge on what landowners are trying to achieve towards profitable sustainable catchment approaches and the inter-connectedness between land and water management, we need, to adapt and become resilient to a changing climate.

Programme

10:00 arrive

10:30 to 10:45 Richard Spyvee, welcome, introductions and health and safety briefing. The Catchment Based Approach and Upper Thames Catchment Partnership Jenny Phelps, Farming and Wildlife Advisory Group and Dom Martyn CaBA National Support Group
