Evenlode Natural Flood Management (NFM) Visit Slowing and Storing flow in the Littlestock Brook

Evenlode Catchment Partnership event hosted by Wild Oxfordshire, Environment Agency and the Bruern Estate

Date: Wednesday 3 July, 10am to 3.30pm

Location: Milton-under-Wychwood village hall, Shipton Road, Oxfordshire, OX7 6JW

Delivering Natural Flood Management (NFM) in a lowland farming landscape. Sharing our learning from the first 3 years of a pilot project (2016-2021) to implement NFM measures and test their effectiveness for flood risk, water quality, habitat and recreation benefits.

- 10am Project presentations and discussion in Milton village hall
- 12.30 Lunch provided
- 1pm Site visit to Bruern Estate to see NFM measures and monitoring equipment

Contact: dom@theriverstrust.org or 07795 333 157 for bookings
Please bring water, water proofs, sturdy walking boots and sun cream
