

ICASP NFM Community of Practice and CaBA Integrated Catchment Delivery Events Funding Fair and Innovative Funding for NFM Interventions Draft invite – Jan 2020 date tbc, Bradford

Shared goals for this workshop

1. Sharing best practice NFM partnerships approaches from across England
2. Funding fair – speaking to potential funding trusts and organisations developing green investment funds.
3. Academia fair – speaking to academics delivering on ICASP projects – exchange transferable learning and new tools.
4. Building best practice and approaches on funding NFM – Reverse auctions, payments for ecosystem services, future farming payments
