

Integrated Planning and Partnerships Conference for Devon and Cornwall.

Tuesday 5th November 2019

This is a one day conference organised by the South West Regional Flood and Coastal Committee (SWRFCC). The committee is responsible for managing flood risk in Devon and Cornwall. Kindly supported by South West Water, Environment Agency and West country Rivers Trust.

Goals for the day

The conference aims to bring together a network of partners to achieve socio economic and environmental benefits in the south west

It provides an opportunity to

- share future investment programmes and projects and to integrate work
- shape future strategic plans for the environment, flood risk and catchment management
- develop integrated projects with partners

It will bring together local authorities, Local Enterprise Partnerships, Local Nature Partnerships, environmental NGO's and Catchment Partnerships with representatives from business, forestry and agriculture.

09.30 for 10 am start, close at 4 pm. Lunch will be provided.

**Lakeside Conference Centre,
Roadford Lake
Broadwoodwidge
Lifton
Devon
PL16 0RL**

Venue: The conference centre is just north of the A30 near Lifton on the Devon/Cornwall border. There is ample parking but please car share if possible.
