

Department for
Infrastructure
An Roinn Bonneagair

All Department for Infrastructure (DfI) Rivers staff are members of the River Restoration Centre

The RRC is an independent, not for profit UK advisory and information centre which promotes, facilitates and supports best practice in river, watercourse and floodplain restoration and management. The RRC is not a project or design consultancy and it does not bid or competitively tender for work.

The services shown below are available to DfI Rivers staff

	Free of charge	Budget dependent*
General enquiries and advice on river restoration, best practice mitigation and habitat enhancement by telephone, email and social media channels.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
